Student ... We all love our mothers deeply, don't we? You do so too, right? For everyone of us she is the most important person in our life because she gave us the birth and always helps us. We decided to ask our classmates, why the love their moms?

Students...

Student 7. Mom, you're a wonderful mother,
So gentle, yet so strong
The many ways you show you care
Always make me feel I belong.

Student 8. You're patient when I'm foolish;
You give guidance when I ask
It seems you can do most anything;
You're the master of every task

Student 9. You are the sunlight in my day,
You are the moon I see far away.
You are the tree I lean upon,
You are the one that makes troubles be gone.
You are the one who taught me life,
How not to fight, and what is right.

You are the words inside my song,
You are my love, my life, my mom.

Student 10. You are the one who cares for me,
You are the eyes that help me see.
You are the one who knows me best,
When it's time to have fun and time to rest.
You are the one who has helped me to dream,
You hear my heart and you hear my screams.
Afraid of life but looking for love,
I'm blessed for God sent you from above.
You are my friend, my heart, my Mom!
I'm Happy You're My Mom

Student 11. I'm happy you're my mom,
'Cause you take good care of me.
You love me and you show it,
So I'm as happy as can be!
I love you very much,
And so I want to say,

Thank you for all you do,
And Happy Woman's Day!

Dear mom, once upon a time you took my hand and bought me to
musical school. So today to all moms we want to present such a play.

Because of all the thoughtfulness
And kindness she puts in it.

Who adds so much joy to living
She is always very supportive

Dear grannies, this present from me and my partner Valeria is for you.

something very funny and cry in few minutes. That's why they are always girls.

Today our girls, teachers and one mom have a present for you. Let's listen to them.

You are my sunshine

My only sunshine.

You make me happy

When skies are gray.

You'll never know, dear, How much I love you.

When I was sleeping

I dream I held you in my arms

When I awoke dear I was mistaken

So I hung my head and cried.

You are my sunshine

My only sunshine.

You make me happy

When skies are gray.

You'll never know, dear, How much I love you.

Please don't take my sunshine away

You are my sunshine

And let it be...

(a Song "Let it be")

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be.

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be,

Whisper words of wisdom, let it be.

She is standing right in front of me

Speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be,

Whisper words of wisdom, let it be.

And when the broken hearted people

Living in the world agree,

There will be an answer, let it be.

For though they may be parted there is

Still a chance that they will see

There will be an answer, let it be.

Let it be, let it be, let it be, let it be,

There will be an answer, let it be.

Let it be, let it be, let it be, let it be,

Whisper words of wisdom, let it be.
